To Whom It May Concern:

In 2009, First Federal decided to renovate and add to our current facility located on Main Street in Lincolnton, NC. We knew we wanted to partner with a commercial builder that had a great reputation and integrity. We found that partner in DCC.

From the planning, architect design, and construction phase DCC demonstrated time and time again that they had listened. DCC employees and subcontractors were courteous and considerate of our need to stay open and do business while the construction was being completed. When necessary, work was scheduled for nights, weekends and holidays for the convenience of our staff and customers.

You may contact me at 704-268-3114 for further information.

Sincerely,

CD Stroup
